NOTICE

The Town of Boulder has submitted a permit renewal application for the operation of its Class IV Landfill, which is located approximately ½ miles southwest of Boulder Town. The landfill may accept construction/demolition waste, inert waste, yard waste, dead animals, contaminated soils and, in some cases, waste tires, materials derived from waste tires, and contaminated soils as allowed under R315-315-8(3), Utah Administrative Code (UAC).

The Utah Division of Solid and Hazardous Waste has reviewed the application, determined it is complete, and a draft permit has been prepared. The *Utah Solid and Hazardous Waste Act* provides the opportunity for a public comment period to receive comments on the application and draft permit prior to final action by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board. The public comment period will commence on October 16, 2003 and end on November 17, 2003. A public hearing may be held if the hearing is requested within 15 days of the publication of this notice and otherwise meets the requirements of R315-311-3(2) UAC.

The application and draft permit may be viewed on the internet at www.hazardouswaste.utah.gov/hpc-1.htm and copies of the documents will be available for review during normal business hours at the following locations:
